PAC Newsletter

By Cheryl Healey Chair@SeaforthPAC.net

Students have settled into their new schedules and have been enjoying the many events and activities here at Seaforth. It was wonderful to see those taking part in the Terry Fox Run and who they were running for. Thank you for supporting our students and helping Seaforth surpass their fundraising goal.

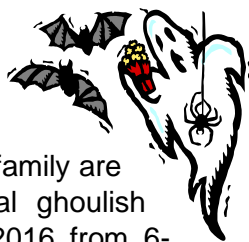

Oct. 4th was celebrated in many households as families took advantage of the Seaforth Hot Lunch Program. This volunteer run program benefits PAC, Grade 7 Grad and French Enrichment and French resources at Seaforth. It is the main source of funding for PAC along with our annual donation request.

We've had a great response to our volunteer drive and welcomed many new team members to keep the momentum going. It's never too late to get involved, we always have room for more.

Being involved in events and activities is a great way to meet other Seaforth families and get to know the people in your community.

SEAFORTH SPOOK!

THE GHOULS' GATHERING.....

Seaforth students, friends, and family are welcome to attend this annual ghoulish event Monday, October 24th 2016 from 6-8pm @ Boston Pizza, 4219 Lougheed Hwy.

Tickets are \$10.00 a table which will be credited towards your bill on event day only. There will be raffles and a door prize for best costume and 10% of your bill will help support the Seaforth PAC.

Donation Request

The Seaforth Parent Advisory Council and our community of volunteers are proud to support many of the activities and programs at our school. We offer financial funding and support for a number of programs. As an example, PAC purchases iPads and computers to keep our students immersed in the latest technology. We also fund the purchase of library books, educational speakers and performances, along with sports and fine arts programs. Events such as Sports Day, Spirt Day, Santa Breakfast and Jingle Bell Walk are all funded through your Seaforth PAC. Our mission is to help make Seaforth a great place for our students to learn and to offer assistance to Seaforth families when needed. We can't do it alone.

Each year, the Seaforth Parent Advisory Council puts forth a donation request to our Seaforth families. This is a great opportunity to show your support for our school. The Seaforth PAC would like to provide classroom funding of at least **\$30.00** a student. The PAC does not solicit funds any other time of year and does not participate in fundraisers such as raffles and chocolate bar sales. We are only able to offer financial assistance to our school through your donations and support of PAC run programs.

It's easier than ever to make a donation by taking advantage of the **SchoolCashOnline** payment system via <https://www.schoolcashionline.com/> or you can choose to pay by cash or cheque payable to **École Seaforth Elementary School**. Tax deductible receipts are available for donations over \$20.00

Charitable donations can also be made through employee donation programs using the Burnaby School District Charitable number **#118812940RR0001**. Please indicate donations to be directed to École Seaforth Elementary School.

The Seaforth Elementary School PAC is a non-profit community group. We thank you for your continued support and generosity.

Save the Date

The Seaforth PAC is proud to be hosting a Holiday Marketplace at École Seaforth Elementary School Friday, **December 2nd from 3-7pm**. If you, or someone you know may be interested in signing up for a vendor table, please contact Lisa Buysse lbuysse@telus.net for more information.

We welcome you to come and be inspired.

The Seaforth PAC would like to thank the families who have given generously to our PAC Donation Request. It's not too late to make a contribution and it could not be easier using **Schoolcashonline**.

Your support is greatly appreciated.

The next PAC General Meeting will be Wednesday, October 19th from 7-8pm with childcare and light refreshments provided.

Laurie Bedford from the City of Burnaby Parks and Recreational Department will be attending to talk

about programs in our area and answer any questions you may have about programing. Are there specific interests your children have and what would you like to see available in their afterschool programs?

This is the perfect opportunity to have your questions answered and help shape future programing. I look forward to seeing you there.

Have a safe and Happy Halloween.
